Reader's Guide to FLEET OWNER Stories for 1963

A

Accounting
Pension plan for small fleet Aug 16
Advertising see Sales Promotion
Air Conditioning see Temperature Control
Appearance Maintenance see Body Maintenance

Associations
Directory of nat'l associations Mar 174
Maintenance Council of the Minnesota Motor Carriers Association July 6

Awards
Fleet Owner Annual Awards Oct 6
Fleet Owner 1963 awards Oct 79
Maintenance Efficiency Awards for 1963 Oct 97
Management Development Awards for 1963 Oct 81
National FLEET OWNER Conference see *National Fleet Owner Conference*
Vehicle Color Design Awards Oct 111

Axles
Bus axle specifications Mar 100
Lube frees no-slide tandems Feb 82
Specification and service data
Rear axles Mar 90
Tandem rear axles Mar 92

B

Body Maintenance
Cargo deck flooring—are there less problems today? June 77
Chassis dynamometer Dec 75
Fiberglass linings cut maintenance costs Sept 100
One-day repainting June 161
10 step "beauty treatment" for car and truck trade-ins Apr 81
Truck wash unit features giant brush Jan 153

Brakes
Brake maintenance Aug 12
Brakes: report Feb 61
Friction materials on automotive brakes Aug 81
More adequate braking systems Nov 43

Buses
Axle specifications Mar 100
Bluebird school bus Apr 167
Busman sees bright future Feb 242
Component parts Mar 96
Engine specifications Mar 98
General specifications Mar 94
GMC pusher-type school bus chassis May 177
Giant vacuum cleaner Oct 230
If you step up bus service Jan 39
Mobile radio expedites service for scattered fleet Apr 94
Piggyback mirrors cure driver blind spots May 90
Rescue workers learn how to handle emergencies on Greyhound buses June 98
Safety regulations Mar 114
Ward school bus May 179
Wayne school bus Apr 167
Whirlybird busmen May 96

C

Civil Defense see Public Relations

Cleaning
Truck wash unit features giant brush Jan 153

Cleaning see also Body Maintenance

Color
Custom-trimmed trucks Dec 132
Truck colors Sept 134
Vehicle Color Design Awards Oct 111

Communications
Mobile radio expedites service for scattered fleet Apr 94
Plan now for change to narrow band radio July 144
Radio network at Giles and Ransome Nov 140

Computers
Data processing for maintenance records Review 1963/Preview 1964: report Oct 152
Wheel alignment by computer check Mar 307

Construction
Pre-insulated building panels Aug 161
Hauling dirt on a timetable schedule—Five R's Construction Co. Apr 100
Planning terminal growth July 77
Shop layout Sept 86

Containerization
COMAR—new coordinated service Feb 40
Containers off and rolling in two minutes Apr 92
"Fishyback" flexes its muscles at new facility of Sea-Land Nov 106
How large common carrier is "caging" LTL traffic Apr 88
New container standards Feb 80
Quick-change container system July 68

Cooling Systems
Antifreeze in engine oil Oct 12
Cooling system flush procedure Oct 224

Coordinated Transport
COMAR—coordinated service Feb 40
Coordinated truck and rail transport Mar 14
"Fishyback" flexes its muscles at new facility of Sea-Land Nov 106
Proposed piggyback rules Sept 41

D

Dispatching
Automatic switching to speed dock handling Nov 81

Drivers
Boyce analyzes statements of E. G. Cox Sept 84
Driver selection for small fleets June 16
How careless can some fleets get? Jan 14
1963 truck stop directory Mar 179
Piggyback mirrors cure driver blind spots May 90
Private fleet drivers Feb 16
Road patrols Sept 94
What drivers should know about glasses Sept 98

E

Economics
Controlling over-the-road costs Mar 176

Electrical Equipment
Automatic switching to speed dock handling Nov 81
Battery and charging system Nov 12
Battery warmer Oct 285
53-amp alternator Feb 167
Is the battery at fault? Sept 12
New system monitors tire pressure Jan 71
Power circuit detector Dec 173
Radar alarm system May 189
Resistor ignition cables Nov 181

Electronic Equipment
Leak detector Feb 229
Portable electronic oil lab Sept 163
Wheel alignment by computer check Mar 307

Engines
Buses: engine specifications Mar 98
Chrysler's turbine car June 166
Engines of tomorrow Dec 93
Oil analysis July 59
Oil filtration Sept 102
Oil heaters—for cold weather starts Nov 140
Powerplants today and tomorrow June 85
Sealing cracked castings Dec 89
Truck specification and service data Mar 78
New Engines
Caterpillar 1963 May 186
Chevrolet engine changes Oct 256
Detroit Diesel's new engine Aug 150
Dodge engines Apr 180, June 190, Oct 256
GMC compression diesels Oct 256

Mack diesel Apr 180
Meteor 6-cylinder May 186
Perkins' new engines Aug 150
Rambler Classic V-8 Apr 180
Volkswagen May 186

Exhaust Systems

Auto exhaust system Apr 183
California approves two anti-smog devices for used cars Jan 39

F

Floors

Cargo deck flooring—are there less problems today? June 77

Fuel

Posting of octane ratings Mar 12

H

Highways

ATA survey July 74
Codes instead of chaos: uniform traffic signing Jan 87
Federal study sizes up U.S. highway system Feb 244

Materials Handling

Air system lets one man unload tons in minutes Apr 84
Automatic switching to speed dock handling Nov 81
Containers off and rolling in two minutes Apr 92
Customer sealed cargo cage Dec 140
"Fishyback" flexes its muscles at new facility of Sea-Land Nov 106
Greatly improved LTL handling Mar 40
How large common carrier is "caging" LTL traffic Apr 88
Little shipments: big problems Review 1963/Preview 1964: report Oct 181
New automatic piggyback transfer Sept 82
Piggyback in reverse Mar 340
Pneumatic trailer handles bulk flour Apr 232
Power-driven conveyor in trailer floor Sept 126
Quick-change container system July 68
Upgrade your vehicle DPM (dollars-per-mile productivity) June 63

Metals

Improved metals for fleet vehicles Aug 73

N

National FO Conference

Fleet Owner Conference Program May 101, Sept 78
FO Conference Report ready Mar 348
Fleet Owner 1963 Awards program announced Jan 89, Feb 97
Highlights of 1963 NFOC Dec 85
1963 awards Oct 79
1963 Fleet Owner Awards competition Mar 287
1963 tentative conference program June 100, July 70, Aug 69

New Models—Truck & Bus

American Body & Trailer Jan 140, Feb 160, July 152
Autocar's tandem-tandem Sept 153
Batavia Body's reefer with movable partition Dec 144
Blaw-Knox Trailer Hydromixer Apr 174
Boyertown van body kits Apr 176
Brantford plastic reinforced tank Mar 294
Brockway line Feb 155, Dec 160
Butler's trailers Aug 153, Dec 152
Caterpillar Mar 304, May 172
Challenge "Boost-A-Load" May 173
Challenger MC 5 Nov 161
Champ's six transmission packages Dec 156
Chevelle El Camino Oct 242
Chevrolet May 175, June 184, Oct 238, 241, Dec 158
Clark Equipment Jan 142, July 156, Dec 152
Converto dump body for tri-axle trucks Oct 245
Cushman-built Truckster Mar 292
Custom Bilt tandem axle suspension Sept 158
Datsun Jan 144, Feb 165, June 182, Dec 155
Daybrook power packer Dec 156
Diamond T has three new stop-and-go diesels Aug 147
Dodge D-100 Town Panel Jan 144
Dodge July 158, Sept 153, Oct 236
Dorsey Jan 140, Mar 302, May 175, Dec 162
E-Z Pack refuse trailer May 179
Felburn-Kingham May 180, June 188, July 159
FMC has tracked carrier Sept 156
Ford's 1964 light and medium-duty line Oct 248
Freightliner's powered dolly Dec 143
Fruehauf July 160, Aug 148, Nov 165
FWD May 172
GMC's 1964 light-duty series Oct 238
GMC pusher-type school bus chassis May 177
GMC transit Mar 292

Heil aluminum modular tank Sept 148
Heil plastic tanker June 184
Henderson Mfg. Bag-Bulk Feed Trailer Aug 156
Hercules reefer units Jan 142, Nov 162
Hewitt-Lucas Body sliding door delivery Jan 137
Highway trailer special for piggyback May 171
Hobbs trailers for piggyback and long haul Sept 145
Holmes Feb 163, Oct 242
Hyster's folding gooseneck trailer May 180
International Harvester Jan 150, Mar 291, 294, 300, May 173, Apr 179, June 186, Aug 155, Sept 146, Oct 254
International Nickel chemical transporter Feb 156
Johnson model truck body Jan 137
Kenworth heavy-duty convention truck Nov 167
Leyland Aug 153, Nov 165
Lyn Airvan delivery body Mar 304
Mack July 154, Aug 158, Dec 150
Matlock & Cope moving van Sept 148
Mercedes-Benz — newest chassis in heavy-duty line Oct 234
Mercedes-Benz three-axle truck Oct 234
Mexican-built coach introduced in U.S. Nov 168
Mobilefreeze Mar 302, July 156, Aug 155, Nov 172
Montone dump trailer May 179
Nor-Tex multi-tank LP-Gas truck Sept 158
Olson panel truck Sept 154
Oshkosh heavy machinery hauler June 188
Pabco aluminum truck bodies Apr 179
Ravens-Metal Extendible Jan 138
Reading Jan 138, Feb 156, Mar 300, June 186
Reo P & D truck diesel options July 150
Roustabout's three wheeled truck Aug 156
Sno-Lander snow blower Jan 153
Spryte: two new "trackmasters" Oct 245
Stahl Metal Apr 174
Strick new design Jan 142
Strick Trailers: lift-off body assumes dump position Oct. 247
Studebaker May 186, Dec 144, 155
Superior TV station on wheels Feb 156
Tiltainer used as storage silo Nov 172
Trailmobile July 150, Aug 149, Dec 150
Union Carbide epoxy truck bodies June 181
United Trailer's city van June 182
Universal Engineering tractor Feb 165
Volume Van Plus beefed up for piggyback Oct 233
Walker Stainless Equipment plastic dairy units Apr 176
Ward school bus May 179
Weld Built Body No. 648 Feb 163
Weld Built power wrecker with 6-man cab Nov 167
White Compac-Van July 149
White-Freightliner half-cab construction truck Jan 150
Whiting Trackmobile Feb 158
Williamsen Body & Equipment double-dumper Mar 292
Wilson GH-100 grain trailer Apr 174

Noise

Truck noise control Jan 57
Vehicle noise control: report Nov 105
